## HISTORY OF THE BERLIN POLICE DEPARTMENT

On September 10, 1937, the Town of Berlin formed a Police Bureau which was supervised by four elected Constables. The Police Bureau was the town's only form of police protection until April 13, 1955.

In 1955, a formal police department was formed. Since that time, the Berlin Police Department has grown from three (3) constables to forty-two (42) full time officers, nine (9) civilian dispatchers, one (1) administrative assistant to the Chief, two (2) records clerks, one (1) technical support administrator and three (3) crossing guards.

The Police Department has been led by seven (7) Police Chiefs; Theodore Strand (1956-1971), Robert Skinner (1971-1978), Phillip Buchanan (1978-1980), William Scalise (1980-1988), Gerald Charamut (1988-2003), Paul Fitzgerald (2003 – 2017) and John Klett who was appointed in 2017.

On February 2, 1985, the Berlin Police Department was shaken by the death of Officer Jeffery Casner, who was struck by a drunk driver while directing traffic at an automobile accident.

In November of 1988, the department was once again shocked by the sudden death of Chief William B. Scalise, who succumbed while clearing land for a new VFW Post.

The Berlin Police Department is looking to the future to better serve the Berlin community by utilizing new technologies, and by maintaining and efficiently utilizing staff and resources.

# ACCREDITATION

The Berlin Police Department is a state and internationally accredited law enforcement agency. The agency was initially accredited by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) in March 1996. We are one of 19 Connecticut Law Enforcement Agencies to be awarded. The Police Officer Standards and Training Council (P.O.S.T.) first awarded State Accreditation to the Berlin Police Department in November of 2004.

The Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) administers the international accreditation program. The accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

A team of assessors from the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) visited Police Headquarters October 21-24, 2019 to examine all aspects of the Berlin Police Department's policies, procedures, management, operations and support services. The Berlin Police Department had to comply with 328 of the applicable mandatory standards and at least 80% of the non-mandatory standards in order to gain accredited status. The department was found to be in compliance with 100% of all 328 mandatory standards and 79 of the 87 non-mandatory standards or 91%. The Berlin Police Department has been an internationally accredited agency since 1996 and will receive its seventh re-accreditation award in March of 2020.

A separate and distinct Connecticut State Accreditation Program is administered by the Police Officer Standards and Training Council. This program can stand alone for agencies that are not CALEA accredited or in conjunction with CALEA accreditation. CALEA accredited agencies are required to show proof of compliance with additional standards that are unique to the State of Connecticut as well as the results of their last CALEA on-site inspection. In November 2004, the department submitted these standards and was approved for State Accreditation. State Accreditation was officially awarded in January 2005 with the department being the second agency in Connecticut to be recognized. The department anticipates being re-accredited in May of 2020.

# **COMMUNITY RELATIONS REVIEW**

## **Neighborhood Watch**

The town of Berlin has two active neighborhood watch organizations working at this time. Officer Cathy Griffin is the department contact person and attends the meetings. The group consists of residents of the Fairview Drive area and Sun Meadow Drive. We are always interested in helping organize new neighborhood watch groups.

## **Torch Run**

Once a year members of the Berlin Police Department are active in the Special Olympics Torch Run and the fund raising that goes on during the year. The Torch Run was held on June 7, 2019. Sgt. John McCormack gathers the local group of runners and they in turn raise money to be donated to Special Olympics. Officer Mark DePinto works as the leg coordinator between seven towns on the Torch Run day. Eight participating police departments run from Newington to New Haven for the opening Special Olympic ceremonies.

## **Citizen Input**

The Berlin Police Department gives the citizens of Berlin a place to let us know how they feel and to share any concerns they may have. You can access our [Online Reporting](http://www.berlinpd.org) by going to our website at [www.berlinpd.org](http://www.berlinpd.org). Look for the “In this Department” Section and click on complaints or customer survey on the website.

## **School Safety**

Officers from the Berlin Police Department randomly visit all the schools in town. These visits establish familiarity with the staff and layout of the school. The visits also provide an omnipresent sense of security. The Berlin Police Department continues to work closely with school staff on emergency preparedness drills. We have officers in the elementary schools who teach DARE and School Resource Officers stationed at the high and middle schools.

## **Safe Kids Wear Lids**

In an ongoing effort to promote bicycle safety amongst the youth of Berlin, members of the Berlin Police Department participated in the 2019 “Safe Kids-Wear Lids” campaign. The program is designed to reward youths observed riding their bicycles while wearing helmets with a coupon good for a free ice cream redeemable at Pralines Ice Cream on Farmington Avenue. At the end of the season, one winner is picked to win a prize.

# GENERAL STATEMENT OF DUTIES

The present day duties of a Berlin Police Officer are varied and complex. The Officer's main function is the preservation of public peace, protection of life and property, prevention of crime, and proper enforcement of local and state laws and ordinances. The Officer must effectively investigate motor vehicle accidents while rendering first aid to injured parties. Motor vehicle safety is a high priority and motor vehicle laws are enforced through the use of laser and radar units.

A Berlin Police Officer is a first responder to all medical emergency calls. The Officer must be qualified as an EMR (Emergency Medical Responder) to render quick and effective first aid. All police vehicles are equipped with first aid and oxygen units. Officers are certified in CPR (Cardiopulmonary Resuscitation) and the use of state-of-the-art AED (Automated External Defibrillator) units. There were 1,546 medical emergency calls in 2018.

Other important duties include initial investigations of reported crimes and incidents. Officers must be able to provide crisis and conflict intervention, along with problem solving techniques, to serve and assist the community.

# DUI ENFORCEMENT

Driving Under the Influence, (DUI) enforcement, is an extremely important component of the Berlin Police Department’s overall traffic safety program.

Over a three year period from January 1, 2017 through December 31, 2019 there has been a total of 131 DUI arrests. In this three-year period, there was an average of forty-four (44) DUI arrests per year. Out of the 131 DUI arrests, fifty-six (56) arrests stemmed from an accident investigation. The remaining seventy-five (75) arrests were a result of citizen complaints or self-initiated motor vehicle stops.

A majority of the alcohol related crashes that occurred in 2017/2018/2019 were between the hours of 9PM to 10PM. The overwhelming majority of the alcohol related crashes (22%) occurred on Sunday, followed by Tuesday with (19%) and Saturday with (17%). During the same period, there were zero (0) alcohol related fatalities.

The department places great importance on DUI detection and apprehension. The department participates in all DOT highway safety grant initiatives that provide funding for DUI enforcement.

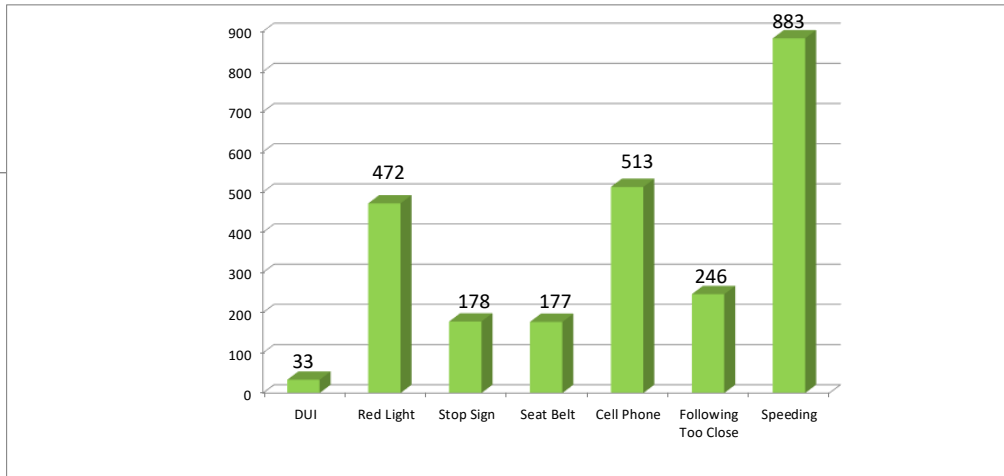

The **Jeffery G. Casner Award** is given annually during Law Enforcement Week in May, to those officers who are at the forefront of the department in effecting “Driving Under the Influence” arrests. Previously, this award was presented every year on February 2nd, which is the anniversary date that Officer Jeffery G. Casner made the ultimate sacrifice for the Town of Berlin. The award is now given in May per the request of the family.

Officer Sean O’Connor has earned the 2019 Jeffery G. Casner Award. This is the first year that Officer O’Connor has received the Casner Award.

# 2019 MOTOR VEHICLE ENFORCEMENT

The department regularly participates in the Department of Transportation, Division of Highway Safety’s seatbelt “WAVE” program. This is an enforcement program specifically targeting seatbelt law compliance. The department uses seatbelt compliance checkpoints to enforce the mandatory seatbelt use statute. Seatbelt use has been shown to reduce the severity of injuries suffered in motor vehicle crashes. Enforcement of this statute is an important part of the department’s traffic safety program.

In 2019, Berlin Officers issued 3,874 citations (summonses, Infractions, & Written Warnings) to motorists. Some of the major violations included 33 DUI arrests, 472 Red Light violations, 178 Stop Sign violations, 177 Seat Belt violations, 513 Cell Phone violations, 246 Following too Close, and 883 Speed/Traveling too Fast offenses.

The DUI arrests were the result of self-initiated DUI Patrols, spot checks, and as a result of motor vehicle crash investigations.

# MOTOR VEHICLE CRASHES

## CRASHES

Motor vehicle crashes are an unfortunate fact of life on our nation's highways. Most, if not all, of these crashes are the result of inattentiveness and/or failure to obey motor vehicle laws. The purpose of motor vehicle laws and regulations is to make the highways safe for all. The purpose of motor vehicle enforcement is to ensure compliance with these laws and hence make the highways safer for all who travel them.

## JUVENILE CRIMINAL ARRESTS (2017 – 2019)

The members of the Academy enjoyed their time at the Police Department and all left with a much better appreciation and understanding of what the Police Department does on a regular basis.

# DARE OFFICERS

The Berlin Police Department is very active in the community. Six educated, highly trained and motivated police officers have undergone a grueling 80 hour training course to learn how to teach our children the skills they need to stay drug and alcohol free. The D.A.R.E. Officers teach more than 800 students in grades 5 and 7 yearly. The curriculum which is taught in 11 classes (one class a week for eleven weeks), emphasizes a no-use message which is life based and focuses on peer pressure resistance training, self-concept improvement, and personal safety decision making skills. A wide range of teaching techniques, including interactive peer leadership and cooperative learning groups are used to encourage student participation and response. The Berlin D.A.R.E. program is evaluated yearly by teachers, administrators, parents and the students themselves and has been approved overwhelmingly.

The Berlin Police Department is also active in the community by being a partner in the Berlin UPBEAT program. This Berlin High School based intervention and prevention program has more than 300 members and is the largest high school club. Berlin UPBEAT also encompasses the middle and elementary levels with students and teachers as members. The Berlin Police Department is part of the high school Police team which includes 16 student members. The Officers and students work together to solve community problems. The Officers and students hold regular meetings, attend off site camping weekends that include team building and life skills training. The Officers donate hundreds of hours to the UPBEAT program each year.
