

The CT Department of Transportation will begin a paving project on Farmington Ave and Mill St next week, from Hart Street in New Britain to Worthington Ridge in Berlin. Milling and Paving activities will be at night, between 7 PM and 5 AM, with the following schedule: Milling - April 16th thru April 26th, Paving - April 30th thru May 17th. There will be associated work (prep, curbing, and handwork) during the day, so be prepared for traffic delays in this corridor.
