69							

Changes highlighted

Townwide Refund Policy: Except where departments institute more restrictive policies, there will be a townwide refund processing fee of 10% of the original fee paid. The minimum processing fee will be \$5.00 and the maximum fee will be \$50.00. This fee will not apply if related to a Program that has been canceled by the Town, in a situation in which the fee was charged in error by the Town or in the case of tax refunds.

No refunds will be provided in instances where the Town has purchased goods or services and those goods or services cannot be refunded. Individual departments of the Town may institute more restrictive refund policies provided those policies are communicated to users at the time of purchase.

Refunds provided in accordance with the townwide policy listed above, and with all necessary approvals of any commission with responsibility over impacted department, shall not require approval of the Town Council or Board of Finance.

Per Sec. 3-31(b) of the Town Charter, "an owner reclaiming an impounded animal shall pay a fee, as determined by the town council and listed in the town fee schedule, for impoundment, plus any advertising costs, plus board for each day the animal is impounded, plus veterinary costs incurred by the town." The Berlin Animal Control Officer shall have the authority to waive the fees listed in Sec. 3-31(b) of the Town Charter with the approval of the Town Manager.

ADOPTED BY THE BERLIN TOWN COUNCIL February 6, 2024
