Bid #2024-06

Sidewalks Assistance and Construction Management

Addendum #1

1. The legal notice had a typo in the required qualifications submission date (March 22, 2023). The submission/bid opening date on the RFQ itself is correct, March 22, 2024.
2. Be advised that additional documents and plans were posted yesterday afternoon (March 11, 2024) on the Town website. All interested parties should review these.
3. The sidewalk map included on the Town website had an error – see attached excerpt for clarification.

This segment was inadvertently shown as approved in the 2023 Town's Connectivity Grant. Disregard; this is not in the scope of work, and will be completed under a separate contract.

This segment is correctly shown as approved as part of the 2023 Town's Connectivity Grant.
