Bid #2025-07

*Paper Goods Dam Consultant  
(Re-bid #2)*

**Addendum #1**

**1. Why were the previous solicitations not awarded?**

Funding issues for the project, now resolved. There were no changes in any reports or other documentation related to the previous solicitations in the current RFQ.

**2. Provide maintenance records for the past 10 years.**

See attached excerpt from a 2020 inspection report that summarizes major work. Minor work has been completed as needed by Highway Department, but formal records are not available.

**3. Provide any notice of violation or orders from ACOE, CTDEEP or other agencies.**

Current DPW staff have no knowledge of any agency NOVs being associated with this dam.

**4. Provide a listing of previous firms that responded to previous solicitations.**
