All parents and guardians will need to fill out the Summer Program Release Agreement form, **one per child**, and return to the Berlin Parks and Recreation Department. The form will be emailed to everyone. The Summer Program Release Agreement form notifies the program staff who, other than the parents, is able to pick up your child. REGISTRATION

WebTrac – All registrations will be done on-line only for the Summer Fun at The Creek program and begins at 7 a.m. on April 28. We strongly recommend trying to get into WebTrac before that date to make sure you won't have any issues, the site has been updated. If you don't remember your username or password, click on the link "Forgot your password" to have the information sent to you. You will need to enter a new password (don't wait too long, the link will expire). If you have issues, please contact us during office hours, by Friday, April 25 before 12:00 p.m. so we can try and help you resolve it before registration opens. The office will not open on Monday, April 28 until 8:30 a.m.

You can find the link to WebTrac by going onto the Town website, www.berlinct.gov click on Departments and find Parks and Recreation. Click on Register On-Line to get to WebTrac. Once you log into WebTrac, click on the Summer Fun box. It will list The Creek and all of its sections. Pick your selection, add to cart and follow prompts. You can also register for before and after care but we strongly recommend that you complete the weekly registration part to secure your spot and go back to register for before and after care. Registration in before and after care does not guarantee registration for the week and any refunds will be charged in accordance with the policy above.

A few tips

- Do not sign into WebTrac too early, if you are in there too long or have inactivity for too long, it will lock you out for at least 25 minutes and there is no way to override that time, our office doesn't open until 8:30 a.m.
- Your transaction is not complete until you pay so even if you have selected an activity, you will not secure the spot until you finish on the payment screen.
- When you close out of WebTrac, make sure you hit the logout (next to the shopping cart), on the top right hand corner of the page. Do not just close the tab without logging out, it won't let you back in and will lock you out.
- You may have a message pop up that says "You currently have a session in progress. Please check for an open browser or wait 25 minutes before logging in again". If that happens you can try shutting down your computer and restarting it.

Please note – you will encounter issues using a smartphone or tablet for registration through WebTrac, so we strongly recommend using a computer.

- We will email you the acknowledgement of risk along with the program release agreement and medical information form. You will need to return all forms to us before the program starts and you will need to complete one set per child. Don't forget - registering for before/after care does not guarantee registration in the program so we recommend signing up for the weeks first and then before and after care. Before and after care never fills up.

If you experience issues Monday morning, please contact the Department after 8:30 a.m. at 860-828-7009 and 860-828-7056. We will do our best to resolve any issues as quickly as possible, but realize weeks may be full and we cannot go over 80 per week.

Please look over your receipt to confirm you have registered for the correct weeks. Contact the office with any issues, office opens at 8:30 a.m. All refunds will be charged a processing fee of 10% of the amount, minimum of \$5/maximum of \$100 except where noted above.
